## News on Insurance and Benefits

It's that time of year again! TAKSes and taxes—budgets and contracts—and INSURANCE! Yeah!

Spring enrollment has begun; however, we have elected to wait until inservice and have one formal enrollment meeting on August 17, 2010.

As in the past, all of your current elections will roll to the new year. You will have one week to make changes to elections. The cut-off date will be August 24, 2010.

## Coverage Highlights

Health insurance rates for the TRS ActiveCare products and the First Care HMO option are on the premiums sheet. Please refer to the enrollment guide for more information on the different TRS ActiveCare plans. Those who are interested in First Care will have to visit the plan website for more information; we have not yet received our information pamphlets. For those choosing the ActiveCare plans, the Blue Access for Members online access program is a great resource for claims, personal health assessments, 24-hr nurse lines, etc.

**There is a 7% premium increase on the TRS ActiveCare plans and a decrease on the First Care premiums.**

Check out the WTXEBC website for information on products offered for supplemental benefits.

Genworth is still the TRS long term care insurance. For details about this program, go to [www.genworth.com/groupltc](http://www.genworth.com/groupltc), and use Group ID TRS and Access Code groupltc.

**Thank you for your attention.  
Check back later for exciting developments!**
